EAR PROTECTION THAT DOES MORE...

ISOtunes XTRA 2.0

The ISOtunes XTRA 2.0 is a noise cancelling in-ear hearing protection with Bluetooth connectivity, specifically designed to reduce health-threatening or annoying ambient noise. With this headset, you can effectively protect your ears from loud and distracting noises while enjoying music, podcasts or audiobooks, and making phone calls. Whether you are at work or enjoying your free time, this hearing protection offers you a perfect combination of protection, audio experience, concentration and communication.

- // Sound attenuation value 36 dB SNR
- // SafeMax™ technology limits volume to 79 dB
- // IP67 dust, sweat, and water proof
- // Battery life up to 11 hours
- // Bluetooth 5.0
- // Neckband and magnetic earbuds (ideal for industrial application)
- // Tested according to European safety standard EN 352-2:2020 and approved according to the PPE Regulation (EU)2016/425

ISOtunes®
+ **plugs**
for ISOtunes

Upgrade your ISOtunes Xtra 2.0 with **bachmaier®** plugs. The transparent silicone earmolds with black lasering offer a perfect and individual fit.
