Hearing protection campaign | Ready?

Single Post | Ready for your personal best?

Whether it's an early morning swim, race day, or your next training session – every stroke counts. Water in your ears shouldn't slow you down.

bachmaier® water helps keep water out of your ears while its custom-made fit ensures a secure, comfortable hold – lap after lap.

- 100% custom-made for your ears
- Secure fit, even during intensive training
- Made from soft, skin-friendly, buoyant silicone

Ready for your next personal best?

Let's find the custom-made bachmaier® water that's right for you.

Carousel | Ready for your personal best?

When you're giving it your all in the water, your focus should be on every stroke—not on water trapped in your ears.

bachmaier® water helps keep water out of your ears, so you can stay focused throughout training and competition.

- Helps keep water out of your ears
- 100% custom-made for your ears
- Secure fit – even during powerful turns and intensive training
- Soft, buoyant, skin-friendly silicone

Sometimes, it's the smallest details that make the biggest difference.

Ready for your next personal best? Let's find the custom-made bachmaier® water that's right for you.
